GENERAL INFORMATION

Dear Customer:

Congratulations on the purchase of your new Lint Hog™. Just one example of how Mytee Products Inc., is strive to keep you on the cutting edge with superior quality and technology.

Neglect or abuse of the Lint Hog™ will void the warranty. With simple maintenance this product will give quality performance for many years to come.

If warranty questions arise, please consult user manual or get in touch with your distributor. If you have questions about maintenance, replacing parts or ordering parts, please call an authorized Mytee Products Inc. Service Center. To see an updated list, visit our website at www.mytee.com.

Before you begin using, please read your manual thoroughly.

Sincerely,
Mytee Customer Care Dept.

Parts and Service

Repairs, when required, should be performed by Mytee service personnel or Mytee authorized Service Center using Mytee original replacement parts and accessories. Call Mytee for repair parts or service. Please specify the Model and Serial Number when discussing your machine.

Unpacking the Machine

When the machine is delivered, carefully inspect the shipping carton and the machine for damage. If damage is evident, save the shipping carton so that it can be inspected by the carrier that delivered it. Contact the carrier immediately to file a freight damage claim.

After Use

1. Disconnect the Lint Hog™ from vacuum hoses at both ends, make sure the unit is emptied and cleaned for the next job.
2. Store indoors in a clean, dry place.

Maintenance Schedule

Make sure unit is emptied and cleaned after each use.

Troubleshooting

My Lint Hog™ isn't collecting debris.

1. Make sure the stainless steel filter has been emptied and cleaned. Check that your vacuum hoses are correctly attached to both hose inlets, and the wand and extractor. Also, make sure that your wand and extractor are in good working order.

Machine Specifications

Filter	12" stainless steel strainer basket

INCLUDED ACCESSORIES

H136 - Coupler Swivel,
2" male x 2" female vac hose

H110 - Coupler Swivel,
2" female x 2" female vac hose

H141 - Reducer,
2" female x 1.5" female vac hose

G008 - Pack of Piglet™
filters

REPLACING HOSE CUFFS WITH CUFF-LYNX™

Twist clock-wise to remove standard cuffs.

Twist counter clock-wise to attach Cuff-Lynx™ to vac. hose.

Once you receive your Lint Hog™, you will need to replace the cuffs on your vacuum hose. To remove old cuffs, twist clock-wise. To attach either male, female or reducer Cuff-lynx™ to vacuum hose twist counter clock-wise.

PIGLET FILTER & STRAINER BASKET

Insert one of the Piglet™ filters over the strainer basket opening for added protection. Once Piglet™ is added, insert strainer basket within the Lint Hog™

When the strainer basket fills up or you notice a change in performance, empty the unit, clean the strainer basket, and replace the Piglet™ filter. Insert the strainer basket back in the Lint Hog™.

LINT HOG™ SET UP

Position the Lint Hog™ in line between the cleaning tool and the truckmount or portable extractor. Using vacuum hoses with 2" Cuff-Lynx™ hose connectors, connect the cap end of the Lint Hog™ to your cleaning tool and connect the female Cuff-Lynx™ end to your extractor or truckmount.
