WHY ARE DOCTOR JOE'S TOWELS YOUR BEST PRESCRIPTION FOR DETAILING?

Professional detailers know that washing alone will not remove all the pollutants and embedded contaminants from a vehicle's painted surface. Clay barring, compounding, and other steps are required to completely clean and prepare the painted surface prior to waxing.

At each step of the detailing process, a towel is deployed to clean, dry, wipe and polish the vehicle. Therefore, it is critical to "color code" the towels for each procedure and to keep them separate. To help you with this, Doctor Joe offers most towels in a variety of colors: The Ultra-82 Microfiber 16"x16" is offered in nine colors, Ultra-80 Microfiber 16"x27" in six colors and if a larger towel is needed, the Ultra-70 Microfiber 20"x40" is available in six colors.

SELECTING THE RIGHT TOWEL FOR THE JOB

All of Doctor Joe's towels are specifically designed to do a certain job. To assist with your selection, towels are categorized as **BODY DRYING TOWELS, GLASS TOWELS**, **COURTESY TOWELS** or **DETAILING TOWELS**. Within each category, the towels are further classified as **GOOD**, **BETTER**, and **BEST**. These terms speak to the suitability of the product for the designated category. For example: a larger, heavier towel may be used to dry the main body of a vehicle, while a smaller, lighter towel is ideal for a doorjamb. Both are quality towels. they're just used for different purposes.

DOCTOR JOE TOWEL SELECTION KEY

- BODY DRYING TOWELS
- GLASS TOWELS
- COURTESY TOWELS
- DETAIL TOWELS
- CERAMIC COATING TOWELS
- ECONOMY TOWELS

QUALITY MATTERS

Towels used during compounding, buffing and polishing need to be made from the highest quality, ultra-fine fiber yarn. All of Doctor Joe's Detailing Towels have over 200,000 strands of fiber per square inch. They provide the proper friction for wax removal without scratching clear coat or vehicle paint. The big box store towels do not offer this benefit.

The Best Detailing Towels offer an extraordinary level of softness. The pre-laundered Elite 01 black fine-fiber microfiber is made in Korea, and contains a 70/30 blend of polyester and polyamide. It is exceptionally designed to polish after the application of ceramic coatings. It is the same type of towel used to polish the ceramic coating on the circuit board on your mobile phone, only it is heavier and larger. The charcoal gray 16" x 16" microfiber ceramic polishing towel is a plush, smaller option.

Both towels are considered the **BEST** choices for working with ceramic nano-coatings, traditional waxes and preparing vehicle surfaces for the application of graphics. Looking for more options? The Doctor recommends the Ultra-82. It is a **BETTER** choice simply because it has nine color selections.

ELITE-01

- 70/30 blend of polyester and polyamide
- 16" x 27"
- Delivers a perfect, scratch-free finish every time (even after many washings)
- KR# ***DJMF0100-BK-3***

ULTRA-82

- Sold 12 per case
- 16" x 16"
- Performance/durability of microfiber with the soft feel of cotton
- KR# ***DJMF8200 (Available in 9 colors)***

TOWEL CARE TIPS

Finally, don't forget the laundry! Contamination found in automotive detailing towels is far different than the soil, food, and dirt found in other towels around your home. Regular laundry soaps and chemicals are not formulated to properly clean and revitalize microfiber fabric.

The good doctor recommends Prime Emulsifier for cleaning and restoring microfiber towels. It is uniquely formulated to remove the mix of dirt, oil, waxes, and grease from split microfibers. When used regularly, it will clean, open the fibers' pores, and improve absorbency.

TOWELS BY DOCTOR JOE® TOWEL CARE PRODUCTS

TOWELS BY DOCTOR JOE® PRIME EMULSIFIER MICROFIBER TOWEL CLEANER
TOWEL CLEANER

- Gentle cleaner that not only removes oils and dirt from your microfiber towels, but improves their absorbency, too! When used regularly, Dr. Joe's formula opens the pores in towel fibers, allowing more water retention during use, and allowing the release of dirt, oil, and grease during wash cycles.
- Safe for all fabrics including microfiber and cotton
- Opens towel fibers to promote better absorption
- Removes oil, dirt, and grease
- No effect on wastewater pH

Z-020 BLACK CLEANING TOOL

TORNADOR® DETAILING TOOLS

- This highly active cleaning tool can be used for all the same applications as the Tornador classic, but is more effective on persistent spots and heavily soiled areas. The cone-shaped nozzle and oscillating tip create a tornado cleaning action that cleans hard and soft surfaces like nothing you've seen before. Dirt and grime are immediately released from fabrics, carpet, and solid surfaces. Great for convertible tops, body seams, detailing of wheels and emblems. Features heavy-duty parts for durability.

HYDRO FOAMER
HYDRO SYSTEMS

- HydroFoamers from Hydro Systems eliminate the time and hassle of manually mixing concentrates, which not only increases labor productivity, but also increases concentrate performance because the solutions are consistently mixed as directed by the manufacturer. Since concentrates are mixed only as they are applied, they are fresh and will perform at peak power, and waste is minimized.
- 12:1 to 128:1 Dilution
- Non-electric
- Proven, reliable components
- No installation required

CYCLO® POLISHERS & PADS

MODEL 5 MARK II DUAL-HEAD ORBITAL POLISHER
CYCLO® TOOLMAKERS

- The Cyclo 80-110/C-PG polisher is a durable unit that features a metal body and attractive powder coating! Its synchronized, dual orbiting heads mimic the patterns made when hand polishing. Plus, it's balanced, so you don't have to deal with unnecessary vibration and swirl marks.
- The Cyclo polisher can deoxidize gel coats, scrub non-skid surfaces, restore luster to vinyl, and even scrub interior upholstery! You can use it on cars, trucks, RVs, and boats. Some folks have even found it useful for tile and grout cleaning, hockey arena board cleaning, metal polishing, and headlight restoration! Simply choose your appropriate accessories (sold separately) and tackle the job at hand. Features a 1 year warranty.
- **MOTOR:** Alternating current, semi-enclosed 24-bar commutator, Output: 1/3 HP

Date:_____ Signature:_____

Note: Debit authorizations must provide that the receiver may revoke the authorization only by notifying the originator in the manner specified in the authorization.

*****Please attach voided check*****

Effective July 1, 2013 Kleen-Rite Corporation will be implementing a new Payment Policy Change: Any Non-Sufficient Checks or ACH Payments received will incur an additional charge of $25.00 to off-set the fees we are charged by the bank. We regret that this change must occur, but the fees and tedious work involved in tracking down and clearing these charge backs has made this policy change necessary.

REWARDS Club

SHOP. EARN. SAVE.

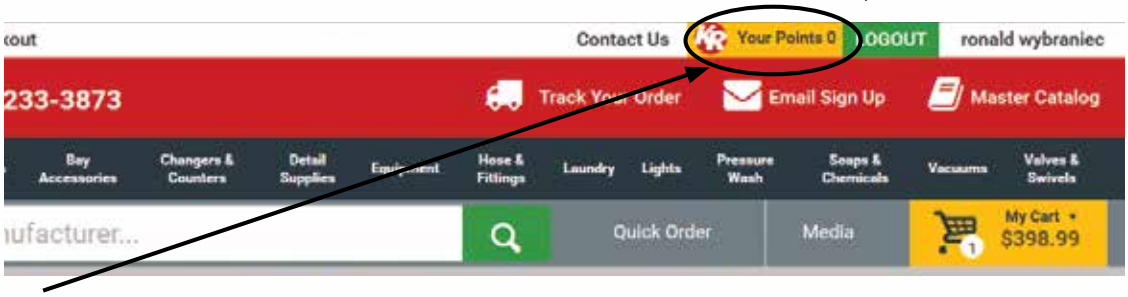

At Kleen-Rite, we pride ourselves on being like a family. A big part of that family is you – our customers! That's why we're pleased to announce the Kleen-Rite Rewards Club. It's our way of saying thank you for your loyal business.

The Rewards Club has four levels: Basic Wash, Deluxe Wash, Premium Wash, and Ultimate Wash. By making your usual purchases online or on the phone, you'll earn points that you can use towards discounts, free shipping, and other perks. Each level you achieve will unlock more reward possibilities. The higher you go, the more rewards you receive!

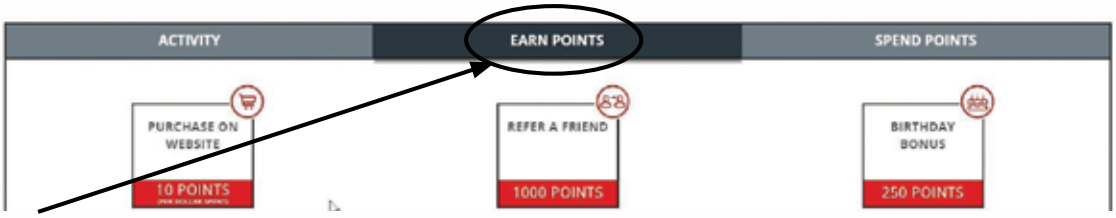

1. You can start by simply signing up for an account on www.kleenrite.com, or by logging into your existing customer account! Visit your "My Account" page and select the button to "Join Rewards Club". That's it! You're signed up.

2. After signing up, when you visit Kleenrite.com you'll see a new yellow ribbon in the upper right-hand corner of the page. Click on this ribbon and you'll go to your new Rewards Dashboard.

3. Click on "earn points" to see all the ways you can earn points. You can earn just for signing up, sharing the Rewards Club on social media, and referring friends to join. Soon, you'll be able to earn rewards points by leaving product reviews, too!

4. Click on "spend points" to see what you can redeem points for. As you earn, this section will fill up with rewards including free shipping! Simply choose the reward you want to use, copy the coupon code, and paste it into the promo code field in your shopping cart at checkout.
