50 Years of Service

Warranty

Electric Cleaner Company units are guaranteed against defects in workmanship and/or motors for two years from date of purchase. All other parts are guaranteed 90 days against defects in workmanship and/or materials. Warranty on motor-turbines is applicable only if motor-turbines have not been taken apart or tampered with.

Motor-turbines, hoses, or unit to be repaired must be returned to factory freight pre-paid or post paid for warranty to apply. For all warranty and repair work please call 1-800-456-9821. Send machines to:
